The Easter Road Race has chosen Project Fit, as it's 2010 charity!

In 2007, Sweeney School's 22-year-old wooden playground was deemed un-safe for the students to play on. This has left the students at Sweeney School with limited options at recess time. Teachers, parents and the Easter Road Race have joined forces to raise the necessary funds to replace the playground with a safe and modern one! We hope you will come out and support Project Fit by running in this year's Easter Road Race!
